

**Who can register for Verona Area Pre-K?**

- Children born 9/2/2012 through 9/1/2013, there are no early entrants into the Verona Area Pre-K Program. Some students are born in the summer before 9/2/2012, and they would be allowed to enroll for one year of public 4 year old kindergarten in our district and complete 5-year-old paperwork. A student who repeats Pre-K is considered a “private pay student”.
- Residents of Verona Area School District and Madison Metropolitan School District. Not sure of your school district? Check out [accessdane.countyofdane.com](http://accessdane.countyofdane.com) for more info.
