

**Staff Qualifications – Parental Rights to Seek Information**

Federal law requires schools to share information with parents/guardians regarding the qualifications of teachers. Among the questions that parents/guardians may ask are:

- Is my child's teacher licensed to teach the grades or subjects assigned?
- Has the state waived any requirements for my child's teacher?
- What was the college major of my child's teacher?
- What degrees does my child's teacher hold?
- Are there instructional aides working with my child? If so, what are their qualifications?

In addition, schools may hire instructional aides who are qualified for this work. If you would like more information about the qualifications of our staff, please feel free to contact the Pre-K site director.
